Tuesday, April 6, 2013

A pre-Town Meeting of the Rockport Selectmen was held on Saturday, April 6, 2013 with five Selectpersons in attendance and the Town Administrator.

8:41 am Meeting Called to Order

It was decided that Selectperson Fleming would read the Resolution for Roger Lesch.

The Town Moderator stated he will make an announcement introducing the new Town Meeting Voters Book and the format that will be followed for Town Meeting.

The date for a Public Hearing on parking meters will be set at Tuesday night's workshop.

It was discussed that the Board of Selectmen should be prepared to discuss the Long Beach lease Article. Darren Klein from Kopelman & Paige stated that any Long Beach changes would need to come back before Town Meeting. It was discussed that the town is not limited to the 30 years, that is why the Article is written that way. The 30-years is for buildings. This could be referred for a study to take place.

The Board of Selectmen moved to Town Meeting at 8:55 am.

2:38 pm meeting adjourned
